2016 Season Outlook

Head coach Pete Cuadrado enters his fifth season at the helm of the Cowgirl soccer program in 2016. He and the team are looking to fulfill their goal of winning the Mountain West Championship.

"I'm excited about the upcoming season," said Cuadrado. "We are deeper at every position this year, returning everyone, but with that said it doesn't win you games until you get out on the field. We can't take things for granted which sometimes happens with a younger team and no seniors like last season. The only way we are going to get better is to continue to work hard, mature and progress as a program with each individual person. The recruiting class we have coming in is solid and all the players coming in will be a benefit to us. I expect big things but I would tell you that every season. Our goal is to win the conference championship and that never changes."

In 2016, the Cowgirls will look to improve on a 10-6-4 overall mark, 6-4-1 in league action along with a fourth place spot in the standings. Wyoming fell in the opening round of the 2015 MW championship 1-0 against Colorado College. With the return of all 11 starters and 21 letterwinners, Cuadrado feels the team is on the right track to vie for a championship.

"The leadership in this group is outstanding. The young women on this team know what is expected and lead from within. Returning all 11 starters is an asset not many programs across the nation can claim. The experience on the field that these young women possess will be crucial to the success of the underclassmen and the overall success of the season."

The Cowgirls will be paced by juniors Shaina Ashouri, Alisha Bass and Kaitlyn Lomsnes. Ashouri was a first team All-Conference and third team All-Pacific Region selection after leading the way with nine goals and 25 points in her first year at UW. Bass was an honorable mention pick along with being selected third team All-Pacific Region while Lomsnes was named MW Freshman of the Year in 2014.

"The biggest strength on this team is the depth. We haven't been this deep in each position since I've been here. Obviously you have to stay healthy within that and you will have a few things go against you during the year. I think that getting Kaitlyn (Lomsnes) back and she and Shaina (Ashouri) clicking will help. Overall, I feel we can go to our bench when need be and they won't be uncomfortable when put into a game situation. Experience and depth will be a key for us."

They will be joined by seniors Sammi Dunda, Anne Hinman, Katie Marcheso, Mandy Meyer and Laurel Ramer. Dunda, Marcheso and Meyer started in all 20 matches during the season and played in over 1,700 minutes. Ramer finished her junior campaign with two goals in 17 matches with 12 starts and Hinman had seven shots on goal and one assist in 14 matches.

"This is one of our largest groups of graduating seniors. Each of them hold a special role on this team. Each of them possess skill and personality traits that will be missed in this program at the end of the year. This was one of my very first recruiting classes here at Wyoming. This class has proven that hard work and dedication to your program and team leads to success. I feel privileged to have been able to coach this group of seniors who have truly set the bar high for the generations to follow."

During the off-season, Cuadrado and his staff signed transfer Brittney Stark along with five newcomers. Stark came to Wyoming after a two-year career at Colorado, while her sister Michaela also joins the UW program this fall. Michaela was an All-Conference and first team All-State selection at Broomfield High School. Brooklynn Mooney will join her former teammate after leading her team to two 4A conference championships. Carlee Martin had a standout career as a member of the Southwest United Premier 98 team in Canada. Avery Smith played for the So Cal Blue ECNL soccer club and was a CIF finalist while Rachael Troxel earned All-Conference honors three times and All-State twice.

"Each year we are always looking to add the right group of young women to our team. This year's class captures the essence of the Wyoming culture and standard. This group of incoming players has a little bit of everything from attacking power to solid defenders. We are excited to add them to our returning group and see how they can contribute to the team right off the bat. They are all great individuals that will fit well in the culture and expectations of the 2016 season."

The 19-game schedule will feature nine home matches at the Louis S. Madrid Sports complex, six of which are Mountain West matches.

The Cowgirls will begin the season with one exhibition match against South Dakota on a neutral site in Hastings, Neb. Non-conference action is set for Friday, Aug. 19 with a contest against Houston Baptist in

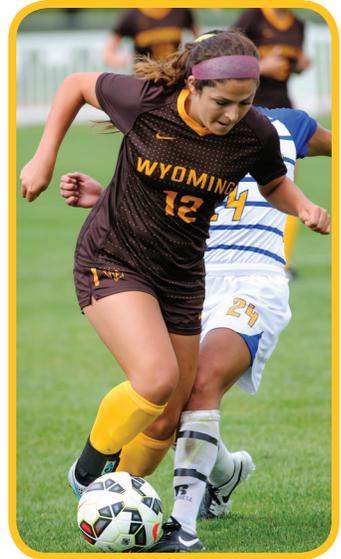

Laramie before hitting the road for the next four out of five matches. UW will face the likes of Idaho State, Aug. 23, Montana at home on Aug. 26, followed by Iowa, UTEP and New Mexico State. The Cowgirls return home on Friday, Sept. 9 with a showdown with Utah Valley before closing out the non-conference slate against Northern Colorado, on Tuesday, Sept. 13 in Greeley.

"It's a tough schedule. Maybe they aren't all household names, but I don't look at anyone and say we will beat this team. Being on the road anything can happen. The road trip to Iowa will be a challenge followed by two tough matches against UTEP and New Mexico State. Having a couple of matches where we play at home and then on the road will be something different for us that we will face in league play."

On Sept. 23, Wyoming begins Mountain West action on the road against Boise State and will continue the weekend with a match versus Utah State on Sept. 25 in Logan. Their first home conference matches will be on Friday, Sept. 30 against the UNLV Rebels followed by a Sunday, Oct. 2 contest with the Nevada Wolf Pack. During the month of October, the Cowgirls will also host the Air Force Falcons Friday, Oct. 7; Colorado College on Oct. 9 and the San Diego State Aztecs on Sunday, Oct. 23. They will close out the home and regular season on Friday, Oct. 28 against rival Colorado State.

"This conference is always a battle. Each team is competitive and each year offers a new challenge. We look to remain consistent and work our way to the top win by win. We are a strong team to beat at home and look most forward to the home games this season."

The Mountain West tournament will be held in San Diego, Calif. The quarterfinals are set for Tuesday, Nov. 1; the semifinals, on Thursday, Nov. 3; and the championship game, on Saturday, Nov. 5.

PETE CUADRADO

(TCU, '00)

Cowgirl Soccer Head Coach

Pete Cuadrado enters his fifth season at the helm of the Wyoming Cowgirl soccer program. He was hired on January 17, 2012 and became the fourth head coach in school history.

He led the Cowgirls to a 10-6-4 overall record and their third-straight Mountain West playoff berth in 2015. In 2014, he posted an 11-9-1 overall record, making him the first coach in Wyoming Soccer history to have back-to-back seasons with 10 or more wins. While in Laramie, he has compiled a 36-34-11 overall record and 19-16-4 Mountain West mark. Four Cowgirls garnered postseason honors including one First Team All-MW, two Honorable Mention All-MW honorees, two Third All-Pacific Region and a Capitol One Academic All-District VII First Team selection.

During the 2014 season, Cuadrado received MW Coach of the Year accolade, by leading the Cowgirls to an 8-3 mark league play and a second place finish. He also coached Wyoming to a perfect 6-0-0 record at the Louis S. Madrid Sports Complex for the first undefeated home record in program history. He helped lead UW to 37 goals, the most in UW single-season history. Cuadrado led the Cowgirls to its second MW championship game after an overtime victory over New Mexico in the semifinals to tie UW's best season finish since 2011. Along with his Coach of the Year honor, the Cowgirls boasted Freshman Player of the Year, Offensive Player of the Year, a First Team All-MW and a Second Team All-MW selections. Other postseason individual honors were awarded such as Capital One Academic All-District VII First Team, a TopDrawerSoccer.com Top 100 Freshman, NSCAA Scholar All-West Region and All-Pacific Region Second Team honoree.

Among his accomplishments during his second year at UW were leading the program to 31 goals, the most at the time in UW regular season history. Cuadrado led Wyoming to a 2-1 victory over San Diego State, which was SDSU's first Mountain West regular-season loss since 2011. The Cowgirls also advanced to the quarterfinals of the Mountain West tournament for the second time in program history and earned Wyoming's first postseason win since 2011 after defeating UNLV 4-2 in penalty kicks during the first round.

During his first season in 2012, the Cowgirls scored 30 goals on the year and notched six goals in a match against Montana State-Billings, third-most in UW single match history in 2012. He also coached three first team All-MW selections in his first two seasons with Wyoming. Off the field the Cowgirls continued to make tremendous progress academically. The 2013 season saw 13 Cowgirls earn Academic All-Mountain West, as 12 were named during Cuadrado's first season in 2012.

Cuadrado joined the Cowgirl program after spending nine seasons as the head coach at North Dakota State University where he compiled a 93-62-18 record. During the 2011 season at NDSU, Cuadrado led the Bison to a school-record win total of 15. On their way to a 15-4-2 record, the Bison recorded 11 shutouts and posted a 7-1-1 mark in Summit League play. The Bison advanced to their third-straight Summit League tournament, advancing to the title game before falling to Oakland. He had two players earn postseason honors with one First Team All-Summit league and Defensive Player of the Year. He also coached the first player in NDSU history to a CoSIDA Academic All-America First Team honor.

The 2010 season was a historic season for NDSU and Cuadrado, earning the program's first Summit League tournament title and advancing to the NCAA Tournament for the first time in program history. After winning their Summit League semifinal game in penalty kicks, the Bison downed Western Illinois, 3-1, in the league title game. The victory earned NDSU a berth in the NCAA tournament against No. 9 Texas A&M. The Bison tied the Aggies, 1-1, before falling in penalty kicks. Cuadrado had two players selected to the All-Summit League First Team. NDSU finished the season 12-5-6 and 6-2-1 in the Summit League.

Cuadrado led his 2009 Bison team to a 10-8-2 record and a 7-2 record in conference play. The 7-2 conference mark gave the Bison their first-ever league title, sharing the title with IUPUI and South Dakota State. The Bison's first league title also earned them their first-ever Summit League Tournament bid. They finished the season leading the conference in goals, assists and points. Two Bison players also earned NDSU's first Summit League First Team All-Conference honors since joining the league in 2007.

During the 2008 season, his Bison struggled with injuries and went 5-8-1, but he became the winningest coach in NDSU history. In 2007, the Bison ended the season 11-7-1, finishing their first season in the Summit League with a 3-4-1 record.

Playing their final season in the United Soccer Conference in 2006, Cuadrado and the Bison posted a 13-7-1 record and finished runner-up in the USC Tournament. In their second season as an NCAA Division I school in 2005, the Bison won 11 games

Cowgirl Soccer Associate Head Coach

Bob Casper enters his fourth season on the Cowgirl Soccer coaching staff after joining in June of 2013 and his first as an associate head coach. He came to UW from Ottawa University (Ottawa, Kan.), where he served for six years as the men's soccer head coach.

His primary duties include on field team training, recruiting and various administrative responsibilities for the program.

In his six seasons at OU, Casper coached 30 All-KCAC selections, 12 KCAC Scholar Athletes, one KCAC Goalkeeper of the Year, one KCAC Freshman of the Year, one Region IV selection and three Daktronics NAIA Scholar Athletes.

In 2012, the Braves finished in the top half of the KCAC, finishing with an overall record of 12-6-1 and a conference record of 7-2-0. OU had six players named to the All-KCAC teams with Drinnan Sante earning the program's first KCAC Goalkeeper of the Year honor. The Braves finished the season ranked 30th in the NAIA in total shutouts (6), 33rd in total saves (115), 40th in shutouts per game (0.3), and 46th in saves per game (5.7). At Ottawa, he compiled a 50-56-7 overall record and 26-16-3 record in the Kansas Collegiate Athletic Conference.

Prior to Ottawa, Casper spent one year at Barton County Community College where he coached the women's team to a fifth-place finish in the Jayhawk Conference.

Before coaching at BCCC he was an assistant at Bemidji State, a NCAA Division II program in Minnesota. The year before Casper's arrival at Bemidji State, the team had a 5-13-1 overall record, but in his first season he helped BSU to a 10-10 record and fourth-place finish in the conference tournament. In his second season at BSU, the team finished 12-4-7 overall and placed second in the NSIC.

Casper earned a bachelor of science in social sciences with an emphasis in history from the University of Wisconsin-Platteville in 2003 and a master's degree in sports studies from Bemidji State in 2012. Casper was a four-year soccer letterwinner at UW-P and was involved in the Pioneer Student-Athlete Advisory Committee (PSAAC).

He has an NSCAA Regional Diploma/NSCAA State Goalkeeping Diploma (Level I), an NSCAA Advance National Diploma, NSCAA Premier Diploma and a USSF "D" License.

His wife, Kerry, coached softball at BSU from 2005-06, Ottawa from 2007-08 and Maple Woods Community College from 2010-11. Most recently, she served as an enrollment advisor at Ottawa from 2011-13.

MATT CALLAWAY

(Lyon College, '10)

The Louis S. Madrid Sports Complex is one of the most attractive soccer complexes in the nation. It is located a block east of the Wyoming Athletics Department, has a view of the beautiful Laramie Mountain Range to the East and is surrounded by mature pine trees. The complex seats 1,500 fans for soccer as well as for track and field.

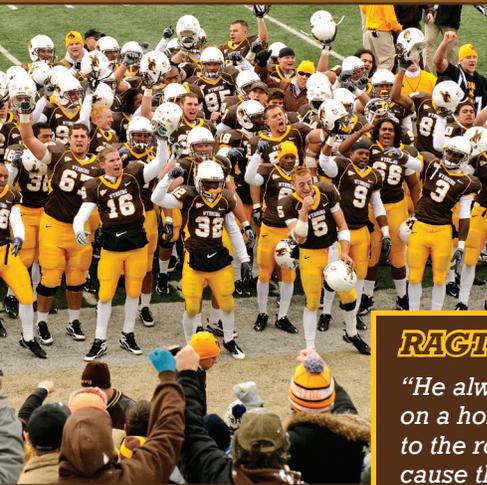

The complex is named for Louis S. Madrid, a former Wyoming track letterman who competed for the Cowboys from 1952 through 1955. Thanks to a generous gift from the Madrid estate, as well as contributions from families and fans honoring eight Wyoming track athletes that were tragically killed in a 2001 car accident, a track was constructed around the perimeter of the soccer field in the summer of 2006. The track, named the Memorial Eight Track, is named in memory of those eight track athletes. Beginning in the fall of 2006, the Louis S. Madrid Complex became the outdoor home to the Wyoming track and field team.

The Madrid Complex has been friendly to the Cowgirls as they have won more than 65 games in its 17 year history.

The Cowgirl soccer team now has the luxury of an indoor practice facility. In the fall of 2007, construction was completed Wyoming's new Indoor Practice Facility, located adjacent to Jonah Field at War Memorial Stadium. The field is mostly used by the Wyoming football and soccer teams but ultimately benefits all student athletes at Wyoming. The facility was constructed at a cost of \$11 million, and includes approximately 80,000 square feet of practice area. The field is covered with Desso Challenge Pro 60, a state of the art artificial surface which was also installed at Jonah Field at War Memorial Stadium in the summer of 2005.

WYOMING TRADITIONS

RAGTIME COWBOY JOE

The familiar fight song of the University of Wyoming athletics teams is Ragtime Cowboy Joe. This song is performed by the band as UW teams enter the playing surface, following a score or big play, and to fire up the fans. The Cowboy and Cowgirl student-athletes traditionally sing this following each Wyoming victory.

RAGTIME COWBOY JOE

"He always sings raggy music to the cattle as he swings back and forward in the saddle, on a horse - a pretty good horse! He's got a syncopated gaiter, and you ought to hear the meter to the roar of his repeater; how they run - yes run! - when they hear that he's 'a-comin', cause the western folks all know, he's a high-falootin', rootin, tootin', son of a gun from ol' Wyoming, Ragtime Cowboy, Talk about your Cowboy, Ragtime Cowboy Joe."

THE STAMPEDE

The Stampede is the official athletics fan club for University of Wyoming students. The Stampede is one BIG fan club for all 17 NCAA Division I sports at the University of Wyoming. The Stampede leads Wyoming fans in spirit, tradition and passion for Wyoming Athletics.

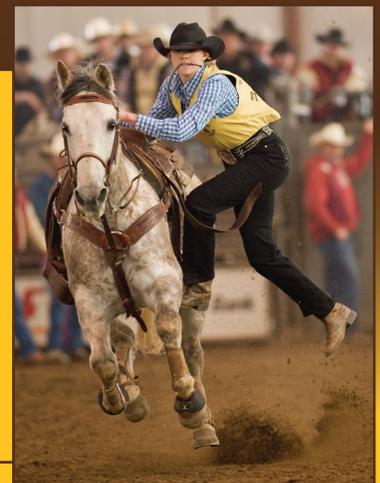

Members of the Stampede receive multiple benefits, and as a student at UW, The Stampede is the best way to become involved in Wyoming Athletics.

COWBOY NICKNAME

The nickname "Cowboys" was applied to Wyoming athletic teams as early as 1891 - two years before the first official football game. The story is that the Wyoming pick-up football team appealed to a 220 pound cowpuncher, Fred Bush, for help in a game against the Cheyenne Soldiers. Bush signed up for a course or two and came out for the team. When he trotted onto the field decked out in a checkered shirt and Cowboy hat, someone yelled, "Hey, look at the Cowboy!" Since many of the members of the team were also ex-cowboys, the name stuck. When women's sports were added at UW, the nickname of Cowgirls was applied to those squads.

COWBOY JOE PONY

Cowboy Joe IV, a fourth generation Wyoming mascot, trots around War Memorial Stadium after each Cowboy touchdown, a tradition which started in 1950 when the Farthing Family of Cheyenne made a generous donation of a young pony to become Wyoming's mascot. Cowboy Joe also represents UW in parades around the region, appears in Tailgate Park on football game days and leads the band and team in the pre-game Cowboy Walk. This beautiful little pony is very popular with Cowboy & Cowgirl fans of all ages.

WYOMING TRADITIONS

SPIRIT SQUADS

The primary purpose of Wyoming's Spirit Squads is to support the Cowboys and Cowgirls, and to serve as public relations ambassadors for the University of Wyoming. The UW cheer and pom squads work hard to get the crowd involved, lead cheers, entertain, and to boost the level of fan excitement and support to new extremes. In addition to their game-day involvement at UW Athletics' contests, Wyoming Spirit Squad members also make numerous appearances at university activities, functions, programs, charitable and public events. Cowboy and Cowgirl sports are flying high and the Wyoming Spirit Squads are leading the way.

PISTOL PETE

Pistol Pete is a UW student mascot who works alongside the Wyoming Spirit Squads, encouraging the crowd and getting fans involved in the game.

WESTERN THUNDER MARCHING BAND

The University of Wyoming Marching Band - "Western Thunder" - features musicians from nearly every major on campus, who perform for thousands of football fans each year at home and road Cowboy football games. The Wyoming Pep Band plays at numerous other UW sporting events.

UW'S LOGO - STEAMBOAT

One of the nation's best, and most distinctive logos, the image on Wyoming's uniforms depicts a cowboy riding a bucking horse. This symbol has been a part of the University of Wyoming Athletics Department since the early 1920's, when UW Equipment Manger Deane Hunton obtained a photograph of a cowboy, Guy Holt, riding the world famous bucking horse Steamboat. Hunton had the photo made into a logo, which was then utilized by UW athletic teams. While there are differing opinions on exactly which horse and rider is depicted on all of UW's athletic uniforms today, it is the symbol that is important. The bucking horse and rider represents the toughness, and the never-say-die spirit that is Wyoming. A statue honoring the symbol called 'Fanning a Twister', was erected at the north entrance of UW's athletics facilities in 1991.

BROWN AND GOLD COLORS

The story behind the colors of the University of Wyoming dates back to 1895. In the spring of that year, the first ever UW Alumni Banquet was held. Decorations for the banquet included Brown-Eyed Susans, a flower native of Southeastern Wyoming. The Alumni were so impressed with the colors (brown and yellow) and the beauty of the flowers that they decided to select these colors as the official school colors at UW. Currently, the colors are described as brown and gold.

Spend some time here and you'll agree that much of UW's character is shaped by this great "home on the range." Laramie, the location of the main campus, is a safe, friendly community of 30,000 people. Nestled between the Laramie and Snowy Range mountains in southeastern Wyoming, it's a beautiful, unspoiled place with a special life-style.

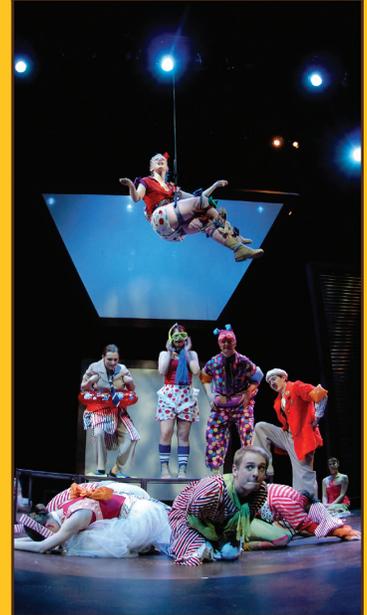

The campus extends over 785 tree-shaded acres. There's an attractive mix of modern and traditional structures; many were built with native Wyoming sandstone. It's a place where the sun shines 320 days each year. It's hard to be gloomy here. When you view it from 7,200 feet, you see things more clearly. But it's not just a pretty place; it's also a place that works.

Up-to-date facilities support the learning and research mission that makes UW special. There are classrooms with state-of-the-art computer technology, laboratories with the latest equipment, excellent libraries, computer systems with universal Internet access, and a long list of premier research facilities both on campus and in the surrounding area.

WYOMING... Like No Place on Earth

They say it's beauty is like no other, and you fall in love with its people.

Wyoming, it is like no place on earth. Within it's boundaries is America's first and largest national park, Yellowstone. The unbounding beauty there includes "Old Faithful" geyser and Yellowstone Lake, the world's largest high-mountain lake. There is Yellowstone Falls, so awe-inspiring, it'll take your breath away. There are over 260 different species of animals and birds located there.

Wyoming's wonders seem to be unending. There is Grand Teton National Park, whose centerpiece is the spectacular Teton Mountain Range. There is Devil's Tower, America's first national monument. There is the world's largest mineral hot springs located in Thermopolis. There is the beauty of Ten Sleep Canyon and a hundred other places.

For breathtaking beauty, Wyoming is unmatched. Its reputation brings millions of visitors to its borders each year. Plus, some of the best skiing in America can be found in Wyoming. Tourists and sportsmen can't wait to get here to enjoy the clean mountain air and limitless outdoor attractions.

The history of the great American West can be heard whistling through the trees of Wyoming. Wyoming had an historic place in the taming of the West in the late 1800's. Butch Cassidy and the Sundance Kid were two of Wyoming's most famous citizens during the era of lawlessness. There remain plenty of reminders of an age that will live forever in American lore.

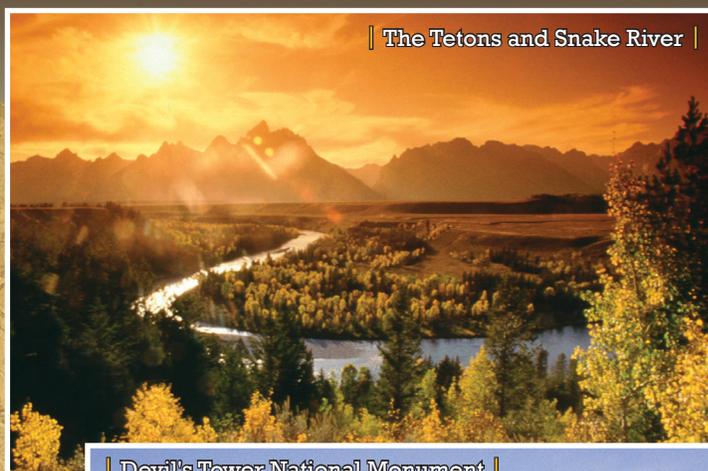

People are Wyoming's strongest resource. These folks are down to earth, friendly and helpful. And, oh how proud they are of their Cowboys and Cowgirls. Wyoming has some of the best fans in America. As their only four-year university, Wyoming folks are tremendously supportive of their teams.

Yet, as down to earth as they are, many Wyomingites are on the cutting edge of politics, entertainment and business. Among some of the most famous are: former Vice President of the United States Dick Cheney; Dr. Jerry Buss, owner of the Los Angeles Lakers; Dean Conger, former chief photographer of the National Geographic Society; Curt Gowdy, the most decorated national sportscaster in history; Alan Simpson, former United States Senator; Gerry Spence, attorney and television personality; and General Pete Schoomaker, former U.S. Army Chief of Staff.

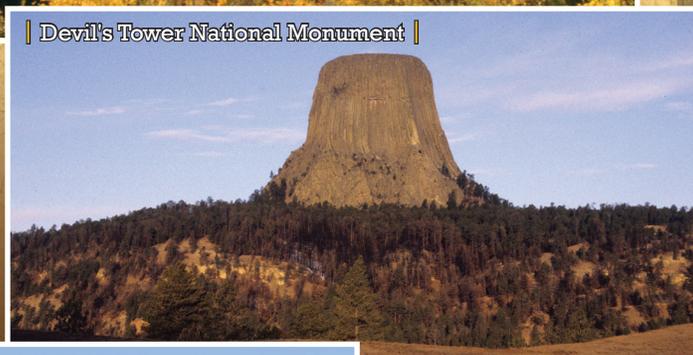

For great people, great scenery and a great education, there is no place quite like Wyoming.

LARAMIE...the Clear Choice

One of the best things about Laramie is its location between two beautiful mountain ranges. It's a place of blue skies and clean air. Much of the area surrounding Laramie is public National Forest land. That means great access! You can head for the nearby mountains and find yourself on a hiking, biking or skiing trail within 15 minutes. There's also nearby rock climbing at the impressive Vedauwoo formations. You can be downhill skiing in the Snowy Range within 45 minutes. Laramie is convenient to the world-class skiing offered in Steamboat Springs and other Colorado resorts.

For a different kind of fun, you can be in Denver within two and a half hours. There is an amazing array of culture throughout the area, plus the tremendous sports heritage of the Rockies, Broncos, Nuggets and Avalanche.

With its colorful Western heritage, cultural activities and outstanding outdoor recreation, the Laramie area offers a unique flavor that delights visitors from all over the world.

Things to Check Out In Laramie:

- ✓ Rappel down a rock face at Vedauwoo
- ✓ Ski, mountain bike or hike the trails at Happy Jack
- ✓ Snowboard the slopes at the Snowy Range Ski Area
- ✓ Catch a trophy fish at Lake Hattie

Academics

A student-athlete has time commitments and academic requirements that no other college student has to manage. Balancing practices, road trips, and contests with tests, papers, and classes isn't easy. But a student-athlete isn't alone in this endeavor!

The Office of Academic Support in Athletics (OAS) exists solely to help you on your journey through college athletics. Simply put, our mission is to give you all the academic support you need so you can meet your goal of earning the best college education possible while participating in the sport you love. Whether it be helping you find that tutor for the big Math exam, or to help you pick the right classes to add a Biology Minor, or just to talk about the big match coming up; the OAS strives to help you succeed.

Most importantly, the OAS helps to bridge your communication with professors and deans as well as to help inform you of NCAA academic eligibility rules. We have an excellent relationship with University administration, faculty and deans and work to keep them aware of student-athlete road trips and contests. The academic support staff visits regularly with every student-athlete to be certain they are making progress toward their degree and assists them with understanding and meeting NCAA academic standards. Our coordinators also provide support on matters such as registration, degree planning and compliance with University of Wyoming and Mountain West Conference policies and procedures.

Finally, the OAS offers specific programs designed to assist each student-athlete in achieving their athletic and academic goals. Staffed by five full-time coordinators, the entire staff is dedicated to achieving the program goal of providing comprehensive services to ensure a successful student-athlete experience — academically, personally, vocationally and athletically. The Office of Academic Support offers a full range of services in the following areas:

1. Academic Development

The core of our academic-support program is the tutorial and mentor program. A qualified staff of tutors and mentors assist students in clarifying their study material and, in the case of travel, help students catch up on what material was missed. In addition to the tutorial program, attention is given to each individual in the development of their class schedule. All UW student-athletes must take a minimum of twelve hours of classes each semester, which directly apply to their chosen degree, and appropriate scheduling is a critical priority. Study skills assistance is available for those who need special help in areas including test preparation, note taking and time-management techniques. Finally, each student-athlete's academic progress is closely monitored during the semester for such things as attendance, current grade and class participation. Steps are taken to address deficiencies identified by student-athlete progress reports on an individual basis.

2. Career Development

The purpose of obtaining a college education is to prepare an individual for meaningful employment following graduation. Needless to say, the act of choosing a useful major is indeed a challenging task considering the multitude of possibilities. Career counseling is available to assist student-athletes in the very important process of selecting a major that will lead to a desired career. The Office of Academic Support continues to establish a career network that will assist students secure employment after graduation.

3. Personal Growth and Development

The OAS offers various speakers, presentations, and training sessions through the NCAA "CHAMPS/Life Skills" program, which emphasizes the importance of the "entire student-athlete." Student-athletes are encouraged to not only graduate and participate in sports, but to continue to grow personally and professionally while at the University of Wyoming. Various recent presentations have featured issues such as Drugs/Alcohol Abuse, Becoming Your Personal Best, Sexual Awareness and Responsibility, and Cultural Diversity.

REACHING YOUR POTENTIAL

The University of Wyoming strength and conditioning staff recognizes each UW student-athlete will spend a large amount of their undergraduate experience training and preparing to be successful in their chosen sport. The Wyoming strength and conditioning staff works diligently to enhance this experience using our expertise, knowledge and coaching abilities. Each full time coach is a certified strength and conditioning specialist.

The mission of the Wyoming strength and conditioning department is to foster a positive, safe, challenging and properly equipped training environment while developing all of the individuals physical qualities needed to be successful in their sport. Our approach calls for all coaches and athletes to work together towards developing an athlete's full physical and mental potential and thereby improving sport performance.

Training programs incorporate sport specific and scientifically proven training methods to produce a progressive and year-round training program. The focal points of this comprehensive training program includes: mastery of correct training techniques, developing functional strength training, improving sport specific speed, power and agility, improving sport and position specific conditioning, work capacity and flexibility while also increasing the athletes knowledge of proper dietary practices. We feel this holistic approach will facilitate the individual's and team's ability to successfully compete in conference, regional and national championships.

The following Wyoming Strength and Conditioning program objectives guide to our training:

1. IMPROVED SPORT PERFORMANCE
2. INJURY REDUCTION
3. ENHANCED PHYSICAL AND MENTAL CONFIDENCE

Program principles that guide the Wyoming Strength and Conditioning department.

1. Total body strength development emphasis.
2. Hip, core and power zone strengthening emphasis.
3. Total body power and explosiveness development.
4. Training programs that are sport and position specific.
5. Variations in exercise selection, intensity and frequency are utilized.
6. Weight training exercises are free weight and multi-joint oriented.
7. Strength, speed, agility and conditioning programs are cycled throughout the year.
8. Correct technique is emphasized on all exercises and movements.
9. Yearly testing and evaluation of sport specific qualities promote competition and improvement.

From its inception in 1999, the Mountain West has been committed to excellence in intercollegiate athletics, while promoting the academic missions of its member institutions. Progressive in its approach, the MW continues to cultivate opportunities for student-athletes to compete at the highest level, while fostering academic achievement and sportsmanship. Now in its 16th year, the MW has been assertive in its involvement with the NCAA governance structure and has taken a leadership role in the overall administration of intercollegiate athletics.

The Mountain West has marked several achievements over its first 15 years of existence, most notably becoming the first to establish a sports television network dedicated solely to an intercollegiate athletic conference (The Mtn.). The Mountain West also was the first to experiment with the coaches' challenge in the college football instant replay system, and was the first non-automatic-qualifying BCS conference to participate in four BCS bowl games, winning three. In 2011-12, the Mountain West was among the first conferences to implement a league-wide state-of-the-art basketball instant replay system.

The Mountain West is noted for its geographic diversity. Some of the most beautiful terrain and landscapes in the nation can be found within Mountain West boundaries, including the majestic Rocky Mountain range, which borders five MW institutions (Air Force, Boise State, Colorado State, New Mexico and Utah State). The high plains of Wyoming (elevation 7,220 feet – the highest Division I campus in the nation) contrast with the desert cities of Las Vegas and Reno, home to UNLV and Nevada, respectively, while Fresno State, San Diego State and San Jose State add a West coast influence with their locations in Central, Southern and Northern California. The inclusion of the Hawai'i football program extends the Mountain West footprint to the beautiful islands in the Pacific Ocean, while the addition of the women's soccer program at Colorado College gives the MW an additional presence in the Rocky Mountains.

The Mountain West was conceived on May 26, 1998, when the presidents of eight institutions — Air Force, BYU, Colorado State, New Mexico, San Diego State, UNLV, Utah and Wyoming — decided to form a new NCAA Division I-A intercollegiate athletic conference. The split from a former 16-team conference re-established continuity and stability among the membership within the new league and signaled the continuation of its tradition-rich, long-standing athletic rivalries. Three of the MW's eight original members have been conference rivals since the 1960s (New Mexico, Wyoming and Colorado State), while San Diego State (1978) and Air Force (1980) were longtime members as well. UNLV and TCU entered the fold in 1996 and the Rebels continued as one of the original eight institutions that formed the MW in 1999. TCU re-joined the group with its first year of competition in the Mountain West in 2005-06. With conference realignment sweeping the nation in recent years, the MW has been proactive in addressing membership changes. Boise State University joined the Mountain West in 2011-12, followed by Fresno State and the University of Nevada on July 1, 2012. Also on July 1, 2012, the University of Hawai'i became a football-only member of the Conference. On July 1, 2013, the Mountain West further expanded when San José State University and Utah State University joined the Conference, bringing to 11 the number of full-time member institutions and 12 football-playing members. On July 1, 2014, the Colorado College women's soccer program became the first non-football affiliate member of the Mountain West, expanding that sport to 12 Conference participants.
